INTERNATIONAL COLLABORATION POLICY

Statement

Through collaborative international partnerships, Asian Business School, Noida faculty, students, and staff are successfully expanding human knowledge and discovery across many fields and sharing that new knowledge to explain the world around us and find solutions to some of our most urgent problems. Our international collaborations bring diversity of thought and practice to promote and sustain research and academic excellence. The success of these important partnerships depends on the highest standards of integrity, transparency, and trust. In working with international partners, Asian Business School, Noida will maintain the highest standards in the pursuit and dissemination of new knowledge.

Objectives

- o Joint educational, training and /or research /project activities.
- o Exchange of invitations to scholars (faculty, research professional and graduate students) for lectures, visits and sharing of experience.
- o Exchange of invitations to scholars for participation in conferences, symposia and seminars.
- o Exchange of information in the fields of interest to both parties.
- o Exchange of faculty, research personnel and graduate and undergraduate students for study and research.

Scope

The policy shall serve as an overall framework within which international research activities may be carried out. The policy is applicable to all Faculty members, students & staff of Asian Business School, Noida.

Areas of Collaboration

- o Faculty members are expected to undertake collaborative research, leading to quality publications and presentations in international conferences of repute and generation of intellectual property.
- o Memorandums of Understanding with institutions that facilitate Joint Research.
- o Collaborations that lead to Joint Diploma such as the arrangement with the Oxford Business College, U.K.
